

New look for Friends of Amasango

Over the past year much work has been done behind the scenes to revamp the image of Friends of Amasango. As we grow and embrace new challenges it is important to ensure that our promotional and internet presence is appropriate and accessible. To this end you will notice our brand new logo and that the organisation of the website is much simpler which allows you, and those exploring Friends of Amasango for the first time, to easily navigate. We hope you agree with the improvements made and if you have further suggestions please get in touch!

www.amasango.org.uk

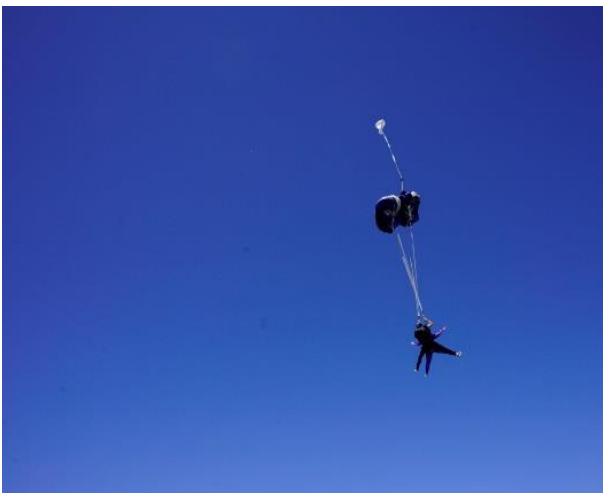

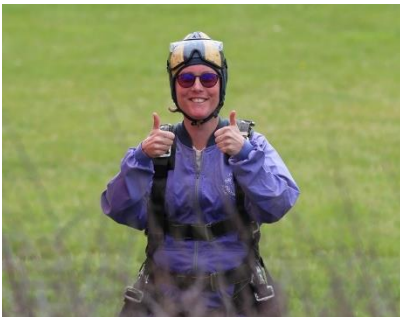

The logo incorporates the sun which symbolises warmth, hope and renewal and the lettering recognises the primary education that Amasango School provides

Rebecca Pennells (Trustee) Skydiving fundraiser for Friends of Amasango

On 30th June 2019 I realised a life-long ambition to complete a skydive. What better than to mark turning 40 than this. In preparation I decided to make this is fundraiser for the Friends of Amasango and at the time of going to press we have raised £2170 with a large percentage adding Gift Aid as well. This was the incentive I needed to propel me out of the plane and into the sky at 10,000 feet and swiftly freefall. The feeling of exhilaration and speed was tremendous and for almost a minute we dropped and admired the view. When the parachute was opened it was as if we had done an emergency brake as our speed was dramatically reduced. From there we gently soared and made the descent to the ground where a smooth landing was had. The enormity of what had just been achieved hit home fairly rapidly and I found myself quite emotional a) because I had survived! And b) because of all those who had supported me and had donated. It's not too late to make a donation. Please visit the link below for more information. Thank you!
